INSTRUCTIONS FOR THE CUSTOMER

Please correctly fill in all the below fields and forward the document to your dealer, along with all the pictures and invoice/s requested.

The information provided must be complete and correct, otherwise the dealer cannot proceed with the warranty request.

IMPORTANT

Before filling out and send this form, please read carefully the warranty chapter on the user manual of the engine.

We do not authorize any kind of operation after the damage has occurred.

We will investigate about the damage and the possible causes, so clarity and truthfulness of information is a priority.

Evaluation times of each warranty claim will depend on the accuracy of the information received, as well as the collaboration and quickness of the customer.

Warranty claims are approved only by the HQ Vittorazi, with the collaboration of the seller.

For this analysis of the warranty, up to 7 working days can be requested. At the end of the operations a warranty acceptance report will be sent to the seller.

All damaged parts for which the warranty replacement has been accepted have to be returned to our company for fiscal reasons. If necessary, for a correct assessment of the damage, we may ask to receive urgently the damaged parts or the complete engine.

The spare parts recognized under warranty will be available Ex works (EXW) by the HQ Vittorazi. The seller will provide for all shipping costs to the customer's destination. The customer will bear the cost of returning the damaged parts to the seller's premises.

A video or other photos or more technical details could be requested later by Vittorazi on the matter.
